All desking tested and certified by FIRA for the following:

Ergonomics to BS EN ISO 9241:1999 Part 5
Strength and Stability to BS4875:2000 Part 5 (Level 4) and/or BS EN 527:2000 Part 1
Performance to BS EN 527-3:2003.
Electrical Systems in Office Furniture to BS6396:2002.

Pedestals tested and certified by FIRA for the following:
Strength and Durability to BS4875:1998 Part 7 (Level 4)
Stability to BS4875:1998 Part 8 (Level 4).

The FSC logo identifies products which contain wood from well managed forests, independently certified in accordance with the rules of the Forest Stewardship Council A.C. TT-COC-1976.
FSC Trademark ©1996.

Quality Assurance Management System certificated to BS EN ISO 9001.

Environmental Management System certificated to BS EN ISO 14001.

The Environmental Management System requires us to organise and formulate a policy and objectives, taking into account legislative requirements. It applies to those environmental aspects which the organisation can control and over which it is expected to have an influence.

Processes, raw materials and energy are all assessed to determine the impact they have on the environment, whilst conforming to or complying with Central and Local Government Acts, and/or regulations or SEPA (Scottish Environmental Protection Agency) regulations/directives.

All desking is available with Induction Loop facilities as an optional extra.

We are totally committed to maintaining and improving the quality and appeal of our furniture and may withdraw products or change specifications, colours and materials shown in the catalogue without prior notice.
