

FURNITURE BUYERS GUIDE 2022/23

MAKING SPACE WORK

WELCOME.

As one of the UK's leading designers and manufacturers of workplace furniture, Gresham's portfolio encompasses office desking, seating, storage and screens plus conference, leisure and breakout collections, offering an holistic solution to your furniture requirements.

Quay are proud to showcase our extensive collection of products combining design, quality and functionality from a 'True UK Manufacturer'. The latest additions and unique styles complement our established ranges and offer solutions for all environments. Due to our manufacturing capability we can also offer bespoke products to suit your exact requirements, therefore if you do not see the product or style you require, please contact our Sales Office.

OUR STORY

ABOUT QUAY

Founded in 1989, Quay have grown into an established and renowned supplier of single source quality workplace furniture and solutions. Our success is down to our staff's dedication and sheer hard work providing our existing and new customers a first-class service and attention to detail.

Our flexible and professional approach to business, perfected over 30 years, has enabled us to engage with our clients and respond to their needs, and in doing so, we've created many long-term relationships.

Our business is built on embracing new clients whatever their size, growing with them and offering inspirational design and technology to transform their workspaces.

WE DON'T JUST SELL OFFICE FURNITURE - WE DESIGN AND BUILD TOO!

OWN LOGISTICS

COMPLETE FURNITURE SOLUTIONS

PROJECT MANAGEMENT

FINANCIAL STABILITY

AFFORDABLE DESIGN AND SPACE PLANNING

ACCREDITATIONS

Our success is built on the basis that our most valuable asset is our staff.

We invest heavily in their training and development to ensure they are the best in the business, whether they are part of our sales, design or installation teams. Our notable list of clients both new and old is testament to all their hard work.

We are proud of our staffs dedication and hard work which has undoubtedly enabled us to achieve and retain the following accreditations:

MAKING SPACE WORK

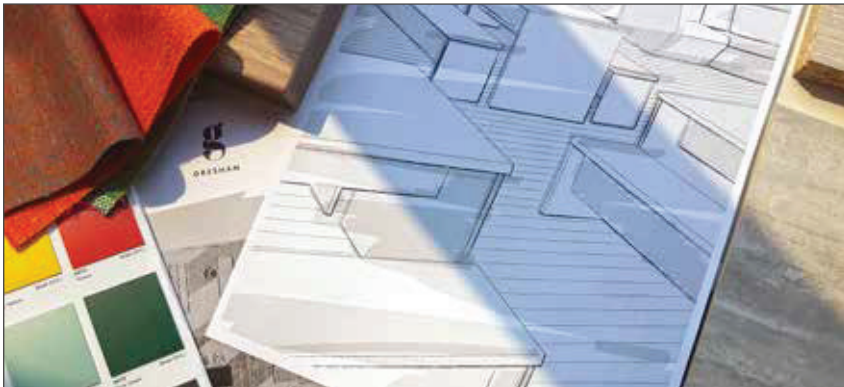

GRESHAM DESIGN • QUAY SERVICE

Gresham works with some of the finest designers to create individual pieces that reflect your personality and enhance your workspace. The company's in-house team boasts experienced designers with backgrounds in Product Design, Industrial and Furniture Design, Design Engineering, Interior Design and Graphics, to name but a few.

Based at their Bolton studio, their team come from a myriad of disciplines, bringing their expertise to create inspiring designs. Whether for mainstream products, special variations or totally bespoke solutions, we provide a complete service from concept through manufacturing to presentation and hand-over. Working in a high-pressure commercial environment, our team needs to balance creativity and flair with quality.

We continually explore innovations in technology, materials and processing, as well as keeping abreast of style, popular colour trends and the ever-adapting workplace. It's all about getting it right.

CAD FILES

WE CREATE OUR CAD FILES FOR USE WITHIN AUTOCAD, REVIT, PCON PLANNER, SKETCH UP AND 3DS MAX.

We support our clients by implementing the BIM approach to all of our projects. BIM (Building Information Modelling) is a collaborative way of working allowing different sectors to work on one central model. This process means that Architects, Specifiers and Planners can work smarter, faster and cheaper by sharing standardised design information.

PCon Planner and SketchUp are 3D CAD software packages that are free to download and can be used for planning. They are fast becoming the industry standard which is why we create our portfolio in this format. We upload all of our models to 'The 3D Warehouse' - the world's biggest resource for free 3D CAD models.

INSTALLATION

All installations are undertaken by highly trained & experienced staff at times to suit you. All packaging is removed from site and returned to the factory for recycling.

LOCAL SERVICE

We provide you with peace of mind that you can access products locally from a renowned manufacturer.

PROJECT MANAGEMENT

We provide total Project Management from initial enquiry through to installation. A single point of contact ensures efficiency and avoids tying up your own valued resources.

ERGONOMIC TRAINING

We provide on site ergonomic training to make sure users are familiar with our products ensuring correct seating and posture.

ENVIRONMENT

FSC® FOREST STEWARDSHIP
COUNCIL®.

Its purpose is to promote responsible management of the world's forests through developing standards, a certification system and trademark recognition. The process of tracking a product back to forest is called "Chain-of-Custody (COC) Certification. Through the COC, companies can demonstrate their commitment to the environment and responsible material sourcing.

Over 99% of the Melamine Faced Chipboard used in the manufacture of office and leisure furniture has been sourced from FSC® certified suppliers. The 1% remaining material, although not FSC® is sourced from non-controversial sources. No trees are cut down specifically to produce MFC.

**The mark of
responsible forestry**

REDUCING CARBON
EMISSIONS.

We are committed to reducing our carbon footprint by instigating strategies which will reduce the use of fossil fuels and the amount of greenhouse gases produced by our processes. We continually invest in state of the art equipment to make manufacturing more efficient. We recycle our waste, reducing landfill and continually update our fleet of vehicles to ensure the latest engine technology is employed.

ACCREDITATIONS & CERTIFICATIONS

All products are designed and manufactured in conformity to the relevant British and European standards.

Gresham Office Furniture's manufacturing process is achieved in line with the following Accreditations and Certifications:

Thanks to its active movement, LS37 helps to provide a healthy sitting experience. With its' smooth motion and practicality, the pivoting base allows the user to sit with an open leg angle which helps to alleviate pressure placed on hips and lower back, as well as feet, ankles and legs; comparative to the detriment of sitting with a traditional posture. The stool can also be used as a 'perch' when using a Sit/Stand desk with its height adjustable column.

KAST

CONFERENCE, MEETING & CAFÉ

5 Year
Guarantee

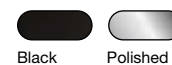

Kast is characterised by a single piece shell with a choice of mechanism which is concealed within the seat and simply adjusted by semi concealed triggers. Kast's strength lies in its innovative high resistance inner structure, adding to the environmental story of the chair.

Available with or without elegant die-cast aluminium armrests in a selection of colours which move with the body of the chair. With the technology hidden inside the shell and covered by a wide range of fabrics the underside is tidy and compact.

LG4 CHROME

CONFERENCE, MEETING & CAFÉ

2 Year
Guarantee

The LG4 collection has been developed to add modern style, comfort and practicality to any interior. Beautiful design is complemented by utilising the latest materials science to provide lightweight yet strong models that will stand the test of time. In its simplest form, this family offers steel four legged or sled framed options featuring a clean, bright chrome finish. These lightweight, yet durable chairs are designed to stack; simply reducing the space taken when not in use.

LG1 CONFERENCE, MEETING & CAFÉ

This stylised collection has been developed to offer a distinctive look whilst providing comfort and longevity. The moulded shapes within the shell accentuate the 'plank' effect of the design and create a slip-free surface on which to sit. In its simplest form, this family offers steel four legged or sled framed options featuring a clean, bright chrome finish. These lightweight, yet durable chairs are designed to stack; simply reducing the space taken when not in use.

HECTA

SOFT SEATING, RECEPTION & BREAKOUT

5 Year
Guarantee

This classically designed chair is both timeless and elegant. Its moulded seat shell and tailored upholstery provide a feeling of luxury and comfort.

The high-back wing chair also offers a sense of tranquillity due to it's acoustic properties and as such is perfect for breakout areas, lounges and busy spaces where an oasis of peace is desired.

The Hecta is available with three styles of base with either one-tone or two-tone upholstery which has comfort as well as a look which is contemporary as well as timeless and elegant.

BETIBO

SOFT SEATING, RECEPTION & BREAKOUT

5 Year
Guarantee

Gresham's new Betibo family of chairs. Designed for high-volume use, the Betibo family is perfect for use in conference rooms, cafes, or university meeting rooms where you have large groups of people to accommodate. Available as a standard-sized chair with or without arms, your guests will enjoy ultimate comfort during their visit. The Betibo family also includes a stool option that pairs perfectly with high tables such as our Deck, GD10 or GD1 Poseur brands to create a functional yet stylish work area. Alternatively, the stool will complement your breakfast bar or standing tables to create a relaxed environment for any hospitality area. Available in a variety of fabrics, our Betibo family of chairs will fit into your design scheme perfectly.

IZZEY LITE SOFT SEATING, RECEPTION & BREAKOUT

Izzey Lite is a playfully stylish chair that coordinates with the rest of this winged backed range. Where other family members create enclosed, personal space, ‘Lite’ encourages users to interact with the world around them. This compact tub chair is designed for relaxed, informal gatherings where small clusters can be arranged together. Perfect for contemporary socialising.

TIROS

SOFT SEATING, RECEPTION & BREAKOUT

The perfect balance of form and function, our Tiros seating collection combines comfort with practicality. A cushioned back and base is complemented by the useful addition of an in-built table, just the right size for a laptop and a cup of coffee. Boasting a statement metal frame, which encases the cocoon-style seat within, the design - available in 4 variations: a high or low back single-seater and a high or low back two-seater - offering a chic solution for hospitality and workplace settings. The Tiros range is available with a Black, White, Grey or Silver Frame, and upholstered in a singular or two-tone fabric.

OSANA BENCH

SOFT SEATING, RECEPTION & BREAKOUT

A modern twist on classic aesthetics, our Osana Bench was created for collaboration. Equally, with some tweaks to its configuration, space can be made for solo work, relaxation or contemplation. Thanks to a sleek, understated design, Osana works well in workplace, residential and hospitality settings due to its ability to seamlessly complement its surroundings. Choose from either a Natural Oak or Dark Walnut finish for the frame, dialling up, or paring back on the statement.

UNOA BOOTH

SOFT SEATING, RECEPTION & BREAKOUT

As the needs of the workplace have evolved over the last two-years, we, in turn, have adapted our product offering to include pieces such as the Unoa Booth. Allowing for small meetings to take place in a comfortable yet private setting, Unoa's acoustic properties are unparalleled for a solution of its size. The design also allows for inclusion of a monitor* for supporting presentations and video calls, which, thanks to the optimal acoustics of the booth, can be carried out with minimal disturbance to those working nearby. Choose from either a Natural Oak or Dark Walnut finish for Unoa's frame.

*Monitor not included

TAKE OFF PLUS LOW BACK

SOFT SEATING, RECEPTION & BREAKOUT

5 Year
Guarantee

Take Off Plus is an extension to our popular Take Off sofa system with the addition of stylised surrounds, integrated tables and technology.

Upholstered surrounds are available in two heights allowing Take Off Plus to blend collaborative working hubs with breakout spaces or quiet, concentration areas - making this distinctive family ideal for the modern workplace landscape where space is at a premium and multi-functionality is key.

The lower backed models are designed to coordinate with the higher models or for use on their own. These modules can be used equally effectively in open planned clusters, around the perimeter of a room or individually placed. The lower surrounds provide users with a feeling of security whilst allowing specifiers to inject two-toned colour options into their workspace.

TAKE OFF PLUS HIGH BACK

SOFT SEATING, RECEPTION & BREAKOUT

5 Year
Guarantee

Take Off Plus is an extension to our popular Take Off sofa system with the addition of stylised surrounds, integrated tables and technology.

Upholstered surrounds are available in two heights allowing Take Off Plus to blend collaborative working hubs with breakout spaces or quiet, concentration areas - making this distinctive family ideal for the modern workplace landscape where space is at a premium and multi-functionality is key.

The taller backed models within this family are set to the ideal height to offer privacy for users whilst allowing those around to see whether pods are occupied or not. They provide acoustic dampening when socialising or holding meetings in open-planned areas, without restricting existing lighting or air circulation within the room in which they are installed.

Take Off Plus Media Units have integrated cable access behind TV mount and below table height.

TAKE OFF LITE

SOFT SEATING, RECEPTION & BREAKOUT

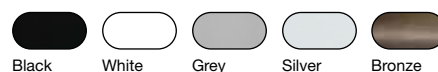

5 Year
Guarantee

Take-Off Lite is a modular upholstered sofa system that can be used to delineate mid floor or perimeter spaces in those 'away-from-desk' areas, making it great for busy workplaces or public use.

Its seat and back can be matched, or complemented to provide additional visual interest, whilst Take-Off Lite's light-weight skid frame provides simple elegance whilst allowing modules to be easily configured to the desired layout.

Modules are available with or without backs, in single or twin seat options. Each unit can be matched to each other in any combination or used individually providing flexibility for your working landscape.

KULTURE CAPALDI

SOFT SEATING, RECEPTION & BREAKOUT

5 Year
Guarantee

Kulture

Kulture Capaldi is an easily reconfigurable modular sofa designed specifically with the contract market in mind. The organically shaped rectangular units can be used individually, laid out in structured patterns or scattered throughout a space to create adaptable seating arrangements. The versatility of the design is endless, modules can be connected together in various ways, optimising soft seating in areas with space constraints in both public zones and private areas.

LEATHER GROUP 1

Crest / JMT Shelly

Leather Group 1 is for selected Shelly hides. Other colours from this range are available but could be subject to a surcharge dependant on leather maximisation, POA. Please note that all leathers are subject to natural markings and variations in shade. These natural bruise marks distinguish it from man made imitations. The variations are features, not faults.

Black

Cream

OTHER INFORMATION

Fire Retardancy

All information regarding fire retardancy has been provided by the fabric manufacturer.

Flame Retardancy Ratings:

| | |
|---------|---|
| C&M | Cigarette and Match = Low Hazard |
| C&M* | Cigarette & Match as standard. Can be treated to achieve Crib 5 upon request. |
| CRIB 5 | Medium Hazard |
| CRIB 5* | Medium Hazard when used over CMHR 50kg Foam. |

Abrasion

All information regarding abrasion has been provided by the fabric manufacturer and communicates wear resistance as determined by the Martindale abrasion test.

Vinyl

Fabrics marked with  are Vinyl.

Product leadtimes may be affected by the fabric selected. Please contact our Sales Department for further information.

Please Note:

Fabrics other than those listed above are available. These fabrics may require testing to ensure their suitability for use on the intended product. Not all fabrics shown are suitable for use across all ranges within this document. Due to their specification, certain fabrics may have a detrimental effect on the final appearance of a product.

WOOD, METAL & LAMINATE FINISHES

THE FENIX COLLECTION

Fenix, the nanotechnological material from Arpa Industriale, has revolutionised the world of interior design. It is not only beautiful to look at but, most importantly, it is also a high-tech material, made unique by its characteristics.

Fenix has these characteristics by undergoing a particular series of processes, including a multilayer coating and the use of next-generation nanoparticles and acrylic resins, which are hardened and cured through an innovative Electron Beam Curing process. This process makes the material anti-fingerprint, soft to the touch, opaque and extremely durable, so much so that it can withstand serious knocks and scratches, but also makes it highly resistant to the aggressive action of solvents and reagents typically used for household cleaning.

Fenix is also heat-resistant. Additionally, should the surface have superficial microscratches, heat actually helps to repair them. The surface of the material is scattered with a dense grid of crosspolymers with their own memory, which can be reactivated by the application of heat.

Fenix is also water-repellent, hygienic, thanks to its effective bacteria-killing action, and resistant to mould. All of these make it a perfect surface for contact with food and very easy to clean.

We have a large selection of matching Edging to choose from that perfectly complements our Fenix Collection.
